

The way from HG to IFW - or the other way around. Since it is the first session of the day you will probably come from home unless you won't have been partying so hard the Wednesday evening that you dedice to stay at oVis overnight -not recommended-. There are two Haldenegg stations circled blue on the map. Trams 6,7,10,15 stop by at those stations. So if you are coming from Hauptbahnhof 10 is the perfect connection that you are looking for. (or 6 of course)

When you find the building, climb up the ramp and go in from the front door. Go downstairs and you should now see the room on your left.
